The Truman Library will be the site of a very special day commemorating the 70th anniversary of V-J Day, the end of the war in the Pacific, the end of World War II, and President Truman's leadership. Program highlights will include eyewitness accounts from WWII veterans and the special exhibit of Emperor Hirohito's original rescript announcing Japan's surrender and ordering his people to carry out the provisions of the instrument of surrender.

“THEY HAVE EARNED OUR UNDYING GRATITUDE.”
